## Education

2024- 2025

It Step Academy Front-End Web  
Programming course

2023- 2024

The Complete Full-Stack Web  
Development Bootcamp by Dr.  
Angela Yu Udemy

2023- 2024

Angular - The Complete Guide  
(2025 Edition) by Maximilian  
Schwarz Müller Udemy

## Expertise

- HTML
- CSS
- JavaScript
- Angular
- Web-Development

## Language

English B2

Georgian N

Hebrew N

Russian

## Experience

No formal working experience in the tech industry yet — but I've been actively building and shipping my own projects using Angular. Through self-directed learning and hands-on development, I have gained practical skills in front-end development, component architecture, and modern web technologies. All of my work can be explored in my personal portfolio.

## My Portfolio

<https://oqroportfolio.com>

Here are all the projects I have created so far,  
using Angular Framework.
